Thoughts from the President's Podium

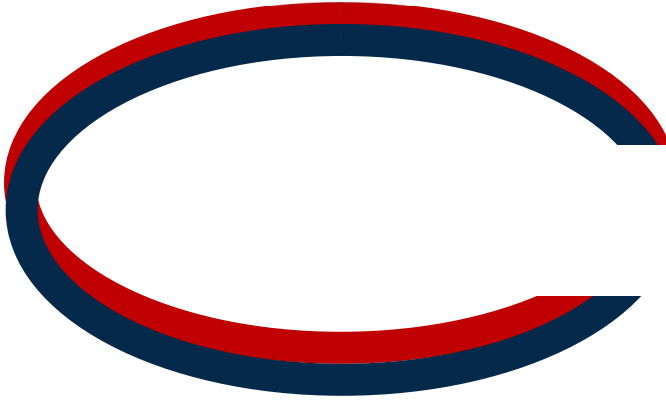

Administrator's Glance

Greetings,

Our new year is off to a good start. We are looking to the great things our Lodge can accomplish. It will take all of us to make it happen but as we Moose say "A burden borne heavy by one is borne light by many". We will be having a Special meeting for all members to discuss our Lodge and how we want to move forward. As always if you have an idea or suggestion, please let me or one of the other Officers know. It is OUR Lodge.

What do you want to see at YOUR Lodge????

Like many organizations our lodge strives to conduct events and meals that appeal to our membership. Our goal is to fill the lodge with members as often as possible. The more we do, the more it will draw new members to come in and see what we are doing and enjoy the company of other members.

To be honest, the bulk of our members are not coming in. For those that do, THANK YOU for your continued support, we can't do it without you.

WHY are our members not coming in?

What is it we can do to get you back into our Lodge.

Please let us know if you have any ideas or suggestions to start moving in a positive direction.
