What do you want to see at YOUR Lodge????

Like many organizations our lodge strives to conduct events and meals that appeal to our membership. Our goal is to fill the lodge with members as often as possible. The more we do, the more it will draw new members to come in and see what we are doing and enjoy the company of other members.

To be honest, the bulk of our members are not coming in. For those that do, THANK YOU for your continued support, we can't do it without you.

WHY are our members not coming in?

What is it we can do to get you back into our Lodge.

Please let us know if you have any ideas or suggestions to start moving in a positive direction.
